

Intake Cap

CRAYAIRE® Intake Cap is designed for optimal airflow and general ventilation, our intake cap ensures fresh air circulates into your home with its fixed louver design. It also includes a built-in plastic pest guard to keep out birds and rodents. Made from UV-resistant, paintable plastic, this cap resists fading and discoloration, allowing you to perfectly match your home's exterior.

Features

- **Easy to install:** The replacement intake cap makes setup a breeze.
- **Optimal airflow:** Its fixed louver design ensures fresh air efficiently enters your home, perfect for general-purpose venting.
- **Pest protection:** A built-in plastic guard helps keep birds and rodents out.
- **Built to last:** Made from UV-resistant plastic, it resists fading and discoloration from the sun.
- **Customizable:** You can paint it to perfectly match your home's exterior.
- **Versatile installation:** Suitable for mounting on brick, concrete, or siding.
